HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 1, 2021

Mr. CARTWRIGHT. Madam Speaker, I rise today to honor former athlete, coach, official, and northeastern Pennsylvania native Kathy Goeringer. Kathy was inducted into the Luzerne County Sports Hall of Fame in 2020 for her distinct athletic achievements in the sports of basketball, volleyball, softball, track and field, and golf. She and her fellow inductees will be honored at a reception this spring.

Each year, the Luzerne County Sports Hall of Fame honors those who have brought fame and recognition to the State of Pennsylvania through their outstanding achievements and contributions in athletic endeavors.

Kathy is the daughter of Raymond and Nancy Goeringer. As a student athlete at Tunkhannock High School, she was a varsity starter on the school's championship basketball and volleyball teams. She set scoring records of 39 points and 26 rebounds for single game performances, and she was named to the Susquehanna League Basketball Coaches All-Star Team 2 years in a row. In 1974, she helped start the school's track and field team which went undefeated three seasons in a row and won three district team and individual titles. In shot put, Kathy set a school record and competed in local, State, and regional Amateur Athletic Union (AAU) competitions, winning five gold medals at the local and State levels.

After graduating high school in 1976, Kathy continued her athletic career on the basketball team at Slippery Rock State College in Slippery Rock, Pennsylvania. She left the team after 2 years to become the first female sports editor of the student newspaper, *The Rocket*. She also began her coaching career while an undergraduate, coaching the East Lawrence girls' softball team to a league championship. She would later coach the Luzerne County Community College softball team.

Following the end of her playing career, Kathy began officiating basketball at the high school and Division II and III collegiate levels. Over the next 40 years, she amassed an impressive resume, officiating for regular season

games in addition to league playoffs, district championships, the PIAA Girls State Championships, and NCAA Division III playoff games. Kathy's fair and competent officiating skills earned her the title of chapter interpreter, a position she held for nearly 30 years. She conducted rules meets, answered rules questions from coaches and fellow officials, and taught proper officiating techniques. Kathy has also been a long-time boys and girls volleyball official.

In 1980, Kathy took up golf and found great success locally, regionally, and nationally. She founded the Shadowbrook Women's Gold League and hosted the Shadowbrook Women's Invitational. INFANT FORMULA PROTECTION
ACT OF 2021

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 1, 2021

Ms. MENG. Madam Speaker, I rise today to announce the reintroduction of my Infant Formula Protection Act of 2021. The measure would prevent pharmacies, supermarkets, convenience stores, and other establishments from selling expired baby formula and would consider the sale of baby formula after the product's "use by" date to be a prohibited act. A retailer that commits such an act can incur fines and penalties.

The practice of selling expired baby formula is not only legal but widespread. As a mom, I know the fear and pressure that comes with

caring for a newborn; all a new parent wants is to make sure their baby is healthy. Busy parents need to be able to rely on the safety of products, like formula, that they buy in grocery stores in order to make sure that their newborns are well-fed and healthy. Retailers that stock expired formula—even by just a few days—pose real health risks to infants.

Madam Speaker, we cannot take chances with what we feed our babies, and parents must be able to trust the safety of the products that they buy in their stores. I urge all of my colleagues to support the Infant Formula Protection Act.

HONORING GERALDINE O'MARA ON
HER 95TH BIRTHDAY

HON. JACKIE WALORSKI

Thursday, April 1, 2021

Mrs. WALORSKI. Madam Speaker, I rise today to recognize Geraldine O'Mara who will celebrate the milestone of her 95th birthday on April 4, 2021.

A New Yorker through and through, Geraldine was born in Queens and grew up in Sag Harbor and Steward Manor. One of 12 brothers and sisters, Geraldine has always held family as a guiding light and source of strength. Geraldine was married to the late Thomas J. O'Mara, a World War II veteran, and together they had three children, Sharon, James, and Michael. She has dedicated her life to being a role model for her children and giving them every opportunity to learn, grow, and find the path to success.

Coming from a large family, one of Geraldine's greatest blessings in life is spending time with her seven grandchildren and seven great-grandchildren. To this day, she enjoys reading scripture and tending to her garden, and is known for giving back to those in need and lifting others up with her strength.

Madam Speaker, people like Geraldine make our country a better place, and I ask my colleagues to join me in wishing her good health and many more birthdays.

Kathy moved on to coach at Wyoming Area High School where her teams competed year-round. RECOGNIZING THE ETA NU CHAPTER OF ALPHA PHI ALPHA FRATERNITY, INCORPORATED ON THEIR 50 YEAR ANNIVERSARY

HON. G.K. BUTTERFIELD

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 1, 2021

Mr. BUTTERFIELD. Madam Speaker, I rise today to commemorate the 50th anniversary of the founding of the Eta Nu Chapter of Alpha Phi Alpha Fraternity, Incorporated. The Eta Nu Chapter was chartered on April 3, 1971 on the campus of East Carolina University (ECU) located in Greenville, North Carolina.

Under the direction of eight men, A.A. Best, J.J. Wise, W.G. Keys, O.T. Faison, C.H.G. White, J.C. Bryant, J.P. Harrison, and A.D. Moseley, Eta Nu was established on the campus of ECU.

At that moment, the Eta Nu Chapter became ECU's first Black fraternity and the first Black Greek-lettered organization (BGLO) to be chartered on the campus of a Predominantly White Institution (PWI) in the State of North Carolina. As a result, the Chapter became a leader as one of the first Black fraternities established at a PWI in the South. The first initiates into the Eta Nu Chapter were known as the Undisputed Truth. Members of that first line are as follows: David Franklin, Gregory Clark, Jerry Congelton, John Clark, Tony Sedgewick, Jimmy Louis, Tommy Patterson, James Mitchell, Kenneth Hammond, James Johnson, and Kenneth Wright. These men promoted brotherhood, understanding, and a cohesive unity influencing future members of the Chapter to help form the Black Student Union—an organization that brought Black students together across campus to bring unity and advocate for issues affecting them to campus faculty and administration.

Throughout the years, the Eta Nu Chapter has excelled and raised the bar for others to follow, maintaining high standards of scholastic achievement and service to the community—most notably, hosting an annual scholarship pageant whose winner eventually became Miss America 2019. The Chapter holds several distinguished honors for their contributions to ECU and the community: The first Black Student Government President, the first Black Student Government Vice President, the first three Black Homecoming kings crowned in consecutive years followed by a fourth member of the Chapter who won in 2014, and nine awardees of the ECU 40 Under 40 Leadership Award since the initial awards were presented in 2015.

Members of the Eta Nu Chapter have worked diligently to increase the number of opportunities available to our youth; they have engaged in relentless efforts toward the improvement of the campus and the community. One such measure is a leadership academy partnering with the Zeta Eta Lambda graduate chapter of Alpha Phi Alpha's Pharaohs Program to help mentor young Black men. Additionally, countless fundraisers to raise scholarship money for youth and young adults in the community have also been part of the Chapter's philanthropic initiatives.

Madam Speaker, it is my understanding that the members of the Eta Nu Chapter at East Carolina University are committed to distinguishing themselves as the most exemplary
